

Little Comets Preschool

Registration

2018 – 2019 School Year

We love our Little Comets Preschool (LCP) and are excited to begin the registration process for the 2018-2019 school year. Please know that registration for LCP fills up quickly. We will create a waiting list after all spots have been filled. During the 17/18 school year, several students from the waiting list were called and registered into the program.

Please note that on registration day, you will not learn if your child will be in the program. That information will be available 7-10 days after registration. Registration will be held on:
