Please review the attached budget.

Recommendations to add \$8600 in increased spendings.

Giant Eagle money was collected and distributed among 5 schools instead of 4 due to there were 5 for the time of collection, there were only 4 at the time of distribution. Since the students were already shifted and there were only 4 schools, distribution should reflect this as well. Joan Leibacher votes to approve and Amanda Michell seconds the motion. All voted in favor to divide the money among 4 instead of 5. Nord will distribute the funds.

Money to AJH: initially the money was given at \$4999 however the money in the Nord account should have been half of the Nord money. \$4497.19 should be sent to AJH. Stephanie Boggs motions and Corrie Engle seconds to approve. Voted to approve unanimously.

Overall budget amendments proposed. Stephanie Boggs motions to approve. Tracy Patton seconds the motion to vote the amendments to the overall budget. Approved vote.
