

Nord PTO Agenda - September 13, 2017

Welcome/ Attendees: Please sign in.

Membership - Melissa Thompson and Lisa Robinson

157 members. 28 families attended the swim party.

Rough estimate of money brought in \$1200! Over the initial estimate/budget.

Principal's Report -

Swimming update: YMCA Avon is trying to find an option to keep the program for the 4th grades. We are looking for teachers and locations to accommodate us.

Safety Magnet - Requesting the PTO purchase magnets that go over the door and you can remove it quickly for a lockdown. They cost \$5 each. We would need 75-100 for all the doors it would fit. Sample and website given to PTO for review.

Building visitors - Safety is a priority. Please schedule a time to come in. Staff needs to monitor those who are in the building and the number of people using copiers, etc at one time. Make sure we sign in, especially if you need to go anywhere outside of the office. You are welcome, but we need to be safe!

Attendance policy - New state mandated hours. Intervention plans will be established as needed.

Teacher's Report - PTO asked for the teachers to create a "wishlist" of items they need. This will help us focus our fundraising efforts.

Wish list:

5th grade do not have one to one iPads like 3 and 4 do (lacking approx 90 with 3 carts)

stylus one set per team for all grades

spheros for the 5th grade team. \$120 a piece. Coding project.

Window prints,

FatHeads to help with the interior walls

President - Michelle Gilboy

Swimming info/ financials Fourth grade to hold off spending their budget until swimming is finalized.

School supply drives still receiving checks. Approx \$60 per school. Some supplies are still available for teachers to distribute.
