## End of the Day Dismissal

All walkers and car riders will be dismissed to the north parking lot by the baseball field. In the parking lot, parents are asked to form car lanes. After parking, families need to wait in the grass near the parking lot to pick up their child. During the first week of school, please establish a spot where your child can look for you each day in the dismissal area. No child will be allowed to go into the parking lot without an adult. Each row of cars will be dismissed systematically once all students/ parents have returned to their cars.

Buses and vans will be loaded at the main entrance beginning at 3:30.
